Dear Ms. Dodszuweit:

In accordance with the Court's Orders entered in the above-referenced appeals, Class Plaintiffs-Appellees respectfully submit this letter to advise the Court of the status of post-decision motions filed in the district court. Two such motions were filed with respect to the two Orders (ECF Nos. 9861, 10019) that are the subject of the appeals.

On May 2, 2018 (the day before filing their first appeal), Appellants in Appeals Nos. 18-2012 and 18-2225 had filed a motion for reconsideration/new trial (ECF No. 9926). The district court denied that motion on June 5, 2018, in the same order in which it denied those Appellants' motion for a stay pending appeal (ECF No. 10042).

A second reconsideration motion was filed on June 7, 2018, by The Locks Law Firm (ECF Nos. 10072-73), which is not currently an appellant. The district court denied that motion earlier today (ECF No. 10127).

Thank you for your consideration of this submission.

Respectfully,

/s/ Christopher A. Seeger
